MYSORE RAILWAYS.

Circular No. 13173, *dated* 20—26*th February* 1923.

To—All Disbursing Officers under the circle of audit of the Comptroller who issue Credit Notes to the Mysore Railways Administration for Freight and Fares payable by Departments.

It has been found that the system followed at present for the adjustment or payment of the bills on account of freight and fares payable by the officers of the Civil and Public Works Departments of the State in respect of the Credit Notes issued by themselves or their subordinates has entailed much delay in the clearance of items and caused great inconvenience in accounting, with the result that there has been a large accumulation of unadjusted items on the books of this office. As the Credit Notes are, in the first instance issued in a majority of cases by the Subordinate officers of the Departments and mostly at the destination, the acceptance of the responsible Departmental Head for incurring the charge against a specific Budget grant has to be obtained on the bills prepared and forwarded by this office, and the transmission of the bills to the latter and their return duly accepted to this office necessarily entails some correspondence and delay in adjustment. With a view to prevent this and to ensure speedier clearance of items in the books of this office, it has been arranged with the Comptroller to make direct adjustments in the accounts between this office and the Comptroller in respect of all bills for freight and fares payable by the Departments under the Circle of audit of the Comptroller commencing with the accounts for January 1923. Under this new procedure, the bills and Credit Notes will not in future be sent to the Departmental Heads as was being done hitherto, but will be passed on direct to the Comptroller along with the office accounts in support of the debit raised against the Civil Department for the total amount of the bills.

The attention of the Disbursing Officers under the circle of audit of the Comptroller who are authorised to issue Credit Notes to the Railway Administration for freight and fares payable by them is therefore invited to the requirements of the Comptroller's Circular No. W. A. D. Mis. 759, dated 13th June 1921 (*vide* P. P. 399, Part IV of the *Mysore Gazette* dated 23rd June 1921) and they are requested to kindly furnish that officer with a statement of Credit Notes issued by them or their subordidates from January 1923 onwards in the form prescribed in that Circular, to enable him to verify the bills sent by this office and make needful early adjustments in his books.
